Privacy Notice

Introduction

Defend Our NHS York, an active group of concerned citizens and health care professionals who are joining the massive UK effort to protect the UK's finest institution to ensure the NHS remains available to "serve all who need it".

The Policy

1. Reasons for keeping data: To keep all who support DoNHSY informed and up to date, through agendas, minutes and invitations to events.

2. Types of data kept: Names and email addresses

3. Storage of information:

DoNHSY does not store personal information. The mailing list is a secure Google Group from which individuals can unsubscribe at any time. If an individual is unable to an administrator will do so as soon as possible upon request.

DoNHSY does not pass information on to other people or bodies without the individual's consent, unless it is a legal or regulatory requirement to do so.

4. Consent to receiving communications from DoNHSY.

You received this message because you are subscribed to the Google Groups "Defend our NHS York" group. To unsubscribe from this group and stop receiving emails from it, send an email to defendournhsyork+unsubscribe@googlegroups.com.

5. Security of data

The personal information that DoNHSY stores is kept in password-protected Google Group

8. Data breaches.

DoNHSY takes the safeguarding of data very seriously, and acts to protect data from loss whether by accident or criminal activity. If a breach occurs, where data is accessed or could be accessed by a party not allowed access, The Data Controller, on behalf of DoNHSY, will report the incident as required by the GDPR regulations, within 72 hours. The breach will also be reported to the Charity Commission if it may be classed as a significant incident.
